Itchen Junior Regatta – Sun 8 Oct 2023

TRAILER PARKING and BOATING PLAN

BOATING

Boating should be from the Itchen slipway. When afloat, crews shall wait for the instructions from the Boating Marshal before crossing the racing course. Once across the racecourse, crews should be aware of the Itchen Bridge support and turn South and head toward the start.

RETURNING ASHORE

After finishing their race, all crews can continue rowing upstream and come ashore using the BTC/public slipway or come ashore using the Itchen club slipway. Clubs should ensure they have people ready to help rowers get ashore and carry boats and blades back to the Boat Park. **DO NOT OBSTRUCT THE SLIPWAYS**
